Saturday's meeting was one at which much business was transacted, and a very interesting one besides. Mrs. H. H. Cleaveland, chairman of the furlough fund, reported that there was \$727.73 in the treasury which was given to the local post of American Legion for the purpose of purchasing a piano and if there is enough a phonograph will also be purchased. It was reported that \$30 was made from the candy booth at the movie, and a collection of \$23.50 was taken for the silver jubilee fund.

The committee in charge of the America day parade reported that the club members were to march in the parade, those who could to walk with a foreigner and those who did not march to ride with a foreigner by her side at the rear of the marchers. All who have flags of their own are asked to carry them as there will be so many more marchers than flags have been provided for. This report was made by Mrs. C. L. Thompson, the committee chairman, and other members of the committee were announced to be Mrs. H. S. Bollman, Mrs. DeVore N. Simonson, Mrs. J. B. Bassett and Mrs. Hugh Crawford.

A detailed report of the club expenses was given by Mrs. C. L. Silvius and it was shown that this year's will amount to over \$1,900, which is more than the year's income. The revision committee suggested that the constitution be amended so that the dues would be \$2 a year instead of \$1.10, and that two new standing committees be added, a membership and a piano committee. The duties of the membership committee will be to get new members and assist in the collection of dues and the piano committee to have charge of passing on applications for the use of the newly purchased instrument. These will be voted on at the May meeting.

Mrs. H. S. Bollman, the newly elected chairman of the City Welfare department, gave a short report, and Mrs. S. C. Taylor, of the Study department, announced that the annual meeting would be held May 10, while Mrs. A. F. Sala of the Music department announced that there were now 376 members in the department and that the next meeting, the annual one, would be April 27, when Mrs. A. D. Huesing would be the leader.

More delegates were elected to represent the club at the biennial to be held in Des Moines in June, and Mrs. W. J. Sweeney, Mrs. C. L. Thompson, Mrs. S. S. Davis and Mrs. H. H. Cleaveland will be the regular delegates, and Mrs. Adair Pleasants, Mrs. C. L. Silvius, Mrs. S. C. Taylor and Mrs. E. Sharpe the alternates. Miss Ruth West and Mrs. W. J. Sweeney, with Mrs. J. E. Clarkson and Mrs. C. H. Hoge as alternates were chosen to go to the district federation meeting at Bushnell April 29 and 30.

A letter was read presenting the matter of the pageant which is to be put on by the Y. W. C. A. late this spring, and the club endorsed the plan. Another letter was read from Amos Grotto thanking the club for the use of the new piano for the Myrna Sharlow concert last Tuesday evening, and expressing the appreciation of the kindness of the club in allowing the artists to use the instrument when they were unable to secure one for the evening.

Harry Ramsdell of Moline sang three splendid selections, "Smilin' Through," "Roses of Picardy" and "Little Mother of Mine."

Dr. Arthur W. Evans was the speaker, and his humorous lecture, interspersed with valuable thoughts was thoroughly enjoyed. His subject was "What America Means to Me," and the speaker brought out some wonderful suggestions in the course of his lecture.

"America means what is expressed in just one word, to me," said the speaker. "Fraternity, spelled with a capital F. Real brotherhood in the fullest sense. And the placing to confidence and trust."

He told of how although various countries respect each other in a sense and have freedom and liberty, they have not this brotherly spirit. They have forts and guns and sentries in spite of all that. He spoke of the line between Canada and the United States where for the past century there has been no war fought, and of the fact that it

## was the only boundary line between two countries where there were no sentries, guns or fortifications, and he expressed the hope that there never would be. He said, "We are all pals together, loyal to one flag and one motto, and united we stand, divided we fall," in speaking of the great amalgamation of nations here which makes all a great American fraternity.

His talk was very cleverly given. Touching on all the questions before the world today, he not only spoke of the things the United States has to be proud of, but of things which need remedying. His appeal for patriotism was splendid. He said that sincere patriotism was all right, but he also spoke of it as the last refuge of Tammany hall, and said that he would trust Tammany hall as far as he could throw Boss Murphy. He warned against this kind of flag-dapping patriotism.

He spoke on the Irish question and referred to the Mexican situation and ridiculed interference in the first matter. His last point, bringing out the great spirit which seems to be everywhere in this country of making everyone feel right in the great brotherhood, was unusually well illustrated by an illustration of an Englishman at an American world series game showed how quickly outsiders fall into the ways of American people.

Thirty-nine new members were admitted Saturday and are as follows: Mesdames D. D. Morrison, William Spring, Edward Nance, E. C. Smith, George Deisenroth, M. E. Terry, Allen Miller, T. C. Scott, George Kuhn, W. P. Griffin, Jacob Anthony, Ben Mitchell, Edward Bloom, C. A. Dunn, D. C. Strecker, Joseph Huber, T. J. Murray, Charles Crawford (Taylor Ridge), L. L. Peterson, J. J.
